Will,

Jennifer Wendel in HQ has been asking me weekly whether there is an update on Exide and whether we have received the letter from DTSC yet (she has been asked by her managers). Would it be ok to share this information that it may be coming next week?

Eugenia

Thanks Meredith,

It was great to catch up. I am probably going to try and reach out to Deborah Loomis later this week. I gave a heads up to folks here re Exide so it would be great for our Comms folks to connect. I assume Allison has Mike Alpern's info. Looping in John as I am going to be in transit most of Thursday and all of Friday.

Best,

Mike

Hi Mike,

Thanks for the conversation yesterday. I'll keep you posted on my follow up from Karnig's visit. I expect to talk to Deborah Loomis in the next week or so. She said she's identifying the right set of people to start the discussion. Not sure whether you or I will connect sooner, but let's continue to stay aligned.

As to the Exide NPL listing, I'll try to get you the letters early next week. Also, would it be possible for our communications teams to start working together next week? Let me know and I'll have my Communications Deputy Allison Wescott get in touch with your comms shop.

Regards,  
Meredith
